

# Yes, we are HIPAA compliant!

## Talkatoo is committed to upholding the standards and practices needed to ensure your safety online, including but not limited to:

Complying with all federal and state laws governing the confidentiality and privacy of health information.

Protecting the privacy and providing for the security of protected health information.

Using appropriate safeguards to prevent the use or disclosure of protected health information.

Implementing administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of protected health information

Reporting disclosures of protected health information and security incidents.

Developing robust standards, policies, and procedures around data security.

Performing regular HIPAA risk assessments.

Investigating violations and implementing remedial measures.
